- ## Key Standards:
- Instructional Design
 - Sustainability

Today's Objectives:

Participants will be able to:

- Learn about (or Review) the 2030 Global Goals initiative and its status.
- Learn about connections that exist for building a digital PLN for you and your students.
- Learn about how to get your students involved in project-based work and connectivity.

On **1 January 2016**, the 17 Sustainable Development Goals (SDGs) of the 2030 Agenda for Sustainable Development – adopted by world leaders in **September 2015** at an historic UN Summit – officially came into force.
