

**Presentation and Workshop Testimonials for  
Rick Jetter, Ph.D. (a.k.a. Dr. J.)**

*"I've never gone through so many emotions while listening to Dr. J.'s stories in education. It made me a better leader and, really, just a better person through and through."*

--Elizabeth Schultz, Assistant Principal, Alabama

*"Crisp, clear, bold, knowledgeable, funny, yet intense. That about sums it up for Dr. Jetter whenever I hear him speak."*

--Wendy Richards, Principal, New York

*"A masterful story-teller with masterful reflections . . . everything a growing educator needs."*

--Dr. Peter Loehr, Associate Professor of Educational Leadership, New York

*"I never witnessed such real, practical, and reflective topics in education that forced me to look at myself so deeply on the inside and at others beyond what my eyes can only see."*

--Maggie Mason, High School Instructional Coach, Virginia

*"Hilarious and entertaining, Jetter is. You can't get any more down-to-earth than this guy."*

--Dennis Priore, Principal, New York

*“Jetter is a very skilled teacher, fun, and impressive in his willingness to be so open and authentic with his audience.”*

--Mia Urick, Professional Development Director, Minnesota Association of School Administrators

*“Explosive and real. Dr. J. provided memorable stories that will last a lifetime for our leaders.”*

--Syndee Malek, Associate Executive Director, Michigan Elementary and Middle School Principals Association

*“Rick’s back story is unbelievable! Wait till you hear him! I’m so proud of my son and how he has prevailed from his all-time lowest point, a rock-bottom time in his life that he doesn’t hesitate to share with others.”*

--Dr. J.’s mom, Suzanne Jetter

*“Just awesome. Every person in our audience shared how relevant and informative Dr. Jetter’s presentation was and how useful it will be for life!”*

--Rosie Young, Executive Director, Kentucky Association of Elementary School Principals

*“An exciting presentation that shed light into an area most presenters are afraid to talk about or discuss at any length. Dr. Jetter created authentic connections with the audience by his willingness to be vulnerable. He told stories of who he is with his whole heart.”*

--Sandra Moore, Region 10 Professional Development Coordinator

*“An amazing success, Dr. Jetter’s presentation was. So wonderful just to listen to him and watch the room respond.”*

--Carl Boyington, Executive Director, Utah Association of Secondary School Principals
